Scott County has taken all
Communication as punishment
to me and B-unit. Date of
Communication taken is
May, 5TH 2024. They also only
give 4 tissue for 40 people.

I call Scott county detention
center Camera's as witness
for all rights violated.

I have exhausted all my
remedies and nothing was done
For my pain, suffering,
Time and stress I would
like \$10 million dollars and
have Scott County Judicial
System investigated.

Sincerely,

Van Buth
